

MANOR ROYAL BUSINESS RANGERS

“working in partnership for a better Manor Royal”

What is the Manor Royal Business Ranger service?

The Business Rangers are provided by the Manor Royal BID to be the “eyes and ears” of Manor Royal. As well as contributing to improving safety and security they have a key role in business liaison, reassurance, identifying and reporting maintenance issues and the overall smooth running of Manor Royal.

The service was designed by the Manor Royal BID in partnership with Crawley Borough Council and Sussex Police with partnership working very much part of their remit.

How they work?

The Rangers are a visible presence dedicated to Manor Royal. They are SiA approved and have CSAS accreditation granted by Sussex Police. They use the Business Watch (DISC) system to report and record issues with an agreed set of procedures for escalating issues as necessary. They work out of the Manor Royal BID office.
