Information about the Manor Royal BID Business Rangers Service

The Manor Royal BID Business Ranger that was officially launched at the Manor Royal BID AGM of September 2017. The service is currently provided by local security company - Blue Light Security.

The role of the Rangers is to provide a highly visible, approachable, uniformed presence on the streets of the BID area for staff, visitors and businesses, and to act as the eyes and ears of the BID company, dealing directly with a defined range of issues and escalating and reporting any other issues to the appropriate authority where they can't be resolved by the Rangers.

Functions of the Rangers

- a) The "eyes and ears" of the BID recording, reporting and where possible resolving issues of low level incidence e.g. fly tipping, graffiti, abandoned vehicles, parking, litter, broken street furniture, antisocial behaviour etc
- b) Where issues cannot be resolved by the Rangers the issue should be escalated to the relevant authority. Those issues should continue to be monitored until appropriate actions have been taken.
- c) Reassurance to visitors and staff and to promote the ethos and work of the Manor Royal BID
- d) Another resource to the BID to assist in building and maintaining a sense of community in Manor Royal and between the Manor Royal BID and businesses (a liaison and engagement role).
- e) Close working relationship with the Manor Royal Maintenance Team to resolve public realm issues.
- f) A visible security function responsive to the needs of the area and businesses, providing advice and assistance where appropriate to help protect businesses
- g) Assisting police in their enquiries in support of Manor Royal businesses
- h) A key liaison role in representing the BID to businesses and other security firms hired by businesses
- i) A link between the BID, Manor Royal Business Watch, the Police and other statutory providers e.g. Crawley Borough Council and West Sussex County Council.
- j) A role in managing road space and parking in the area and on-site incident support e.g. for accidents for parking enforcement the Ranger role is an advisory service. Where enforcement is required this should be referred to the Crawley Parking Services Team provided by Crawley Borough Council.
- k) To maintain timely and accurate records of incidents and issues arising, recording all incidents (including public realm incidents) using the DISC system and promoting its use to businesses
- Provision of an intelligence gathering role on behalf of the BID e.g. reporting on new businesses, businesses that may have moved out where buildings have become vacant and obtaining details of new contacts
- m) To assist in delivery of events, projects and initiatives organised by the Manor Royal BID
- n) Carry out those duties as required and directed by the Manor Royal BID
- o) Reporting of activities and actions undertaken, including photographic evidence where relevant, for use by Manor Royal BID to (i) monitor performance and (ii) promote the service via electronic and printed mediums as required and agreed.
