

Manor Royal Business Watch is a vital part of how businesses are networked together to protect the Business District and each other by sharing security and related information.

**ACCESS TO MANOR ROYAL BUSINESS WATCH AND THE DISC SYSTEM IS FREE COURTESY OF MANOR ROYAL BID**

It is affiliated to Crawley and Gatwick Business Watch, the town's Business Crime Reduction Partnership (BCRP), a fully accredited scheme that complies with strict guidelines to allow business members to work together with the Police and Crawley Borough Council to reduce crime, disorder and anti-social behaviour that impacts doing business in the town.

**The benefits**

- Secure, password protected access to the Manor Royal "DISC" system
- Share information with fellow businesses and receive timely alerts about incidents across the Business District via the dedicated security alert system
- Access to the offenders "mug shot" gallery
- Real time communication with other members
- Easy online reporting system accessible via your phone or computer
- Access privileged information about the safe and secure operation of Manor Royal
- Receive weekly e-newsletters direct to your inbox
- Connect with fellow Manor Royal businesses and relevant partners like the Manor Royal Business Rangers and police for the protection of your property, premises and people
- Free window sticker and authorized use of scheme logo
- Free police window vinyl (upon request)

**New user registration details**
