

# Investing in World Class Skills Development

Presented by  
Paul Rolfe  
Dean Wynter

# Working Together

**Crawley College and CCG Training have been working with the Manor Royal BID on improving skills since 2015**

- Manor Royal BID's preferred training provider
- Offering discounted short courses in Business, IT and Safety
- 20% off any course across the Chichester College Group for Manor Royal levy-payers

**We also work in partnership with some of you on:**

- Apprenticeships
- Work Experience
- T-Levels Experience
- Employer in-put on skills and courses
- Events

# Institute of Technology

# What is an IoT?

Institutes of Technology (IoTs) are national network of partnerships between local education providers and industry employers, delivering world-class technical education and training that is:

- Flexible
- Affordable
- Higher Level
- Aimed at adults
- Focused on necessary technical skills

Backed by £290 million government investment

- Innovating
- State-of-the-art facilities
- New technologies

# Programmes

# Coming in 2025

SUSSEX & SURREY  
INSTITUTE OF  
TECHNOLOGY

# Crawley Towns Fund

# Green Village

## A construction skills hub with a focus on sustainable technologies

- Raise awareness of the environmental challenges we face globally and locally
- Engage with the whole community
  - Create a journey through our changing world
  - Explore infrastructure, housing and transport in and around Crawley
  - Help people to make sustainable choices for the world we live in

# Decarbonisation Academy

## Training in innovative sustainable technologies, including:

- Air Source Heat Pumps
- Photovoltaic
- Solar Thermal
- Rainwater Harvesting
- Small Scale Wind Turbines

## Electric Vehicle Workshop

- Short courses at levels 2, 3 and 4 in electric and hybrid vehicle repair, maintenance and management
- Electric and hybrid technology integrated into our motor vehicle courses and apprenticeships

# Immersive Learning

- 5G-enabled interactive simulation
- Designed and developed by BT and Immersive Interactive Ltd
- Combines 360 video and computer-generated content with lights, sounds & even smells

# Digital Village

The Digital Village will offer innovative training in digital pathways aimed at improving employability.

**Courses are free or subject to fee remission, thanks to support from the Crawley Towns Fund.**

- Certificate in Immersive Learning
- Social Media
- Website Design
- Planning and Pitching a Digital Product
