

MANOR ROYAL BID MAINTENANCE TEAM ACTIVITY REPORT

Activity month	September	Report date	29/09/23	Person	Jordan Soal
-----------------------	-----------	--------------------	----------	---------------	-------------

[illegible]

Main actions provided

- Litter Picking and Bin Emptying.
- Grass cutting throughout Manor Royal.
- Grass edging in various places.
- Detritus clearing from traffic islands and roundabouts.
- Small pockets of wildflower areas cut back.
- Throughout September we have collected 1,240kg of litter waste.

Comments and observations

We are continuing to see fly tipping on Kelvin Way, this area is still being frequently checked by our team.

With leaves now starting to fall we will start to use our Hako sweeper to sweep the main footpaths to prevent any leaf build up.

Looking back on the stats from September 2022 we've seen a drop in litter waste collected compared to this year. With 1,920kg being collected in September 22.

Suggestions for future actions, improvements or additional activities planned

We will be continuing with grass cutting, with the next area being cut will be Manor Royal Road.

We are going to start on our winter work plan in between grass cutting, traffic islands will continue to be cleared of detritus and weeds along with signs being cleaned.

Grass areas will be cut at the end of October.

Photographic Impact Evidence (a selection of photos of work undertaken to demonstrate impact)

Please see separate document attached with some before and after photos.
