

Location – The Terrace

With the success of our last application using our Wet & Forget product, we have been continuing to apply this to several other seating blocks and furniture.

We continue to edge grass verges around bus stops. We are then using the off cuts to repair damaged verges as seen below.

Here are some examples of recent fly tips that we have collected.

Location – Whittle Way.

Location – Kelvin Way.

Location – Gatwick Road.

Location – Kelvin Way.

These areas will be monitored frequently.
