Location – County Oak Way

Location – Whittle Way

Additional support from our inhouse tractor team to cut back larger hedges.

We have been out to replace all broken and faded banners.

Location – Rutherford Way leading to
Gatwick Road Parade.

This well used footpath has had overgrown shrubbery cut back to prevent any harm to the public and has also been cleared of detritus that has built up.

We continue to receive fly tipping within Kelvin Way.

Our team are still monitoring this area regularly.

We're currently looking into installing CCTV in this area due to the volume of fly tipping that we get.
