April-May 2024 Picture Report

Location –
Metcalf Way.

Our wildflower areas that were seeded at the end of March are progressing really well.

Our wildflower area on Gateway 3 roundabout is coming along nicely. We have also rotavated an outer ring which has been sown with a variety of wildflowers.

April-May 2024 Picture Report

In May we received
a large amount of
graffiti throughout
Crawter's Brook.

We will continue to
monitor Crawter's Brook
weekly.
