Location – Magpie Walk

We achieved a successful Volunteering day with CGG, clearing detritus and leaves from the footpath to open up the circle lane. Litter picking was also completed a long Magpie Walk.

As a result of the clearance, we were able to remove over 500kg of detritus and leaves.

Graffiti is becoming popular in the new pocket parks, however our team noticed this immediately and were able to remove it.

Location – Metcalf Way Pocket Park

Debris/detritus has been cleared on Gateway 5 roundabout and surrounding traffic islands.

The majority of the waste has been distributed onto grass verges repairing any damaged verges.
