

MANOR ROYAL BID MAINTENANCE TEAM ACTIVITY REPORT

Main actions provided

- Deep clean litter pick.
- Grass cutting in various areas.
- Wet & Forget has been applied to more seating blocks/furniture.
- Grass edging bus stops on Fleming Way.
- Fly tip removal.
- Broken banner replacements.
- We have collected 1,880kg of litter waste in April.

Comments and observations

We're still experiencing cases of large fly tips on Kelvin Lane, this is still being monitored by ourselves and The Rangers.

We're also seeing an increase in fly tipping in some other areas of Manor Royal in which we will continue to monitor daily.

Looking back on the stats from April 2022 we're seeing an average of litter waste collected compared to this year. With 2,000kg being collected in April 22.

Suggestions for future actions, improvements or additional activities planned

Grass cutting will continue to go ahead with the weather now starting to improve.

Our team will be making a start on weeding the shrub areas in all Pocket Parks. (We are hoping to start this next week, with the Gatwick Road Pocket Park being the first area we will start in).

We will also continue to weed spray various areas.

Photographic Impact Evidence (a selection of photos of work undertaken to demonstrate impact)
