

Main actions provided

Grass cutting is going well with round 2 now complete.

Pocket parks and grass bundings have also been cut, with some bunding areas being left for wildflowers.

In between grass cutting we have been carrying out various other tasks. Litter picking has been our main priority this month to help grass cutting run smoothly. (1820kg of litter and fly tip has been collected).

Our small works team has been out to repair various broken signs (Faraday Road, Newton Road).

Comments and observations

We're still experiencing vandalism within some parts of Manor Royal, these areas will be continued to be monitored.

Our Maintenance Team attended the Manor Royal Know Your Neighbour event in which we received very good feedback on the work we're doing and areas where we can trial various things (additional/new bins in pocket parks and high footfall areas).

Suggestions for future actions, improvements or additional activities planned

We will start our third round of grass cutting on 06/06.

We are also planning on weeding the new planted areas in the Pocket Parks.

Photographic Impact Evidence (a selection of photos of work undertaken to demonstrate impact)

Please see separate document attached with some before and after photos.

MANOR ROYAL BID MAINTENANCE TEAM ACTIVITY REPORT
Details of CORE and ENHANCED Service levels (contract extract)

Current Baseline Service	Proposed	Enhanced element (* estimated)
