

We have had additional support from our in house intensive cleaning team to assist with sign cleaning.

In total we have managed to clean 71 signs out of 95. This works out at 74.7%.

Tree lifting has taken place on Manor Royal Road with support from our Tree Team.

This is to help with the grass cutting round allowing access under trees preventing injury to the operators.

Location: Manor Royal Road

Debris/detritus has been cleared on various gateway traffic islands.

The majority of the waste has been distributed onto grass verges repairing any damaged verges.

Locations: Fleming Way and Gatwick Road

In addition to signs being cleaned, our intensive cleaning team have also been able to clean all seating blocks within The Terrace.
