

# Manor Royal Highways Improvements Scheme, Crawley Growth Programme

Details of associated roadworks (Date: 01 January 2022)

## Background

The Crawley Growth Programme is a £60m investment package of improvements across the town to support business investment and employment growth involving Coast to Capital Local Enterprise Partnership (LEP), West Sussex CC, Crawley BC and Manor Royal BID and others.

Over £3.5m will be directly invested in Manor Royal to improve key junctions, cycling and walking facilities, traffic signals, a new eastbound bus lane on Manor Royal, improve bus waiting areas and explore options for improving parking.

## Associated roadworks

The work in Manor Royal will be delivered in a series of phases to limit disruption. However, there will inevitably be a need for some traffic management as work is carried out on the road and at various junctions.

The following table provides the dates for planned work associated with Phase 1 of the Crawley Growth Programme in Manor Royal.

	Location	Commencement Date	Duration (weeks)	Proposed TM arrangement
1	Crompton Way / Manor Royal Junction	4 <sup>th</sup> January 22	4	4 ways temporary traffic lights
2	New Toucan crossing west of Crompton Way	4 <sup>th</sup> January 22	2	4 ways temporary traffic lights
3	A23 London Rd/ Manor Royal Junction	19 <sup>th</sup> January 22	16	3 ways temporary traffic lights
4	A23 London Rd/ Martyrs Avenue junction	15 <sup>th</sup> April 22	14	3 ways temporary traffic lights
