

Manor Royal BID Volunteering Programme

FREE Conservation based team building experiences with Sussex Wildlife Trust

The Manor Royal BID has partnered with Sussex Wildlife Trust to provide Manor Royal business a range of free conservation based volunteering opportunities to support local wildlife and the wellbeing of our community.

Whether it is an informal teambuilding day or simply the chance for your staff to get together and put something back into the community, we have an opportunity for you.

On the Reserves - Crawler's Brook People's Park or Gatwick Woodlands

Step into nature and help Manor Royal be a place where people and wildlife can thrive together. Activities include Himalayan Balsam removal, coppicing and scrub clearance. Physical conservation work is the main part of the day whilst learning about the habitat, and the wildlife within it.
